Description

PG150FA-YG Cold Salad & Noodle Bar 4x1/1 GN Pans

The Thermaster Chilled Salad, Sandwich and Noodle Display range represents the pinnacle of frameless glass design and plug-in over-service display, offering design flexibility and purpose to create a seamless self-contained service area.

Thermaster Displays are produced in High quality Stainless steel and offer a range of flexible options for pan sizes and configuration. With European controls, compressors and electronics. Thermaster units are primed to display delicate fresh produce in your service application and with cross flow ventilation over the food, you can be sure things are always kept looking their best..

The unit has Frameless glass display area at the front and rear twin sliding doors to allow access from either side, rear PE cutting board is included and the large refrigerated rear storage keeps fresh stock on-hand during busy periods.

Refrigerated ± 1 to 5°C
